Ammo for Out of State Shooters

Ammo will not be a problem

Stockton Trap and Skeet Club (STSC) will do their best to have ammunition available. Pre-Ordered ammo will be guaranteed so please order ahead of time. Practice ammunition most likely will be available for purchase at the club during the shoot. As usual, see Dena in the clubhouse.

Shoot off ammo will be available to those who need it at the shoot and can be purchased at that time.

To Preorder Ammo, contact Brad Erickson (email only please for record keeping)

Stocktonskeet@gmail.com Brad will confirm your order and send an email confirmation and bill.

If you are driving into California: If you are not a California resident, California law allows you to drive into the state with whatever amount of ammo you need. If you are flying, normal airline rules apply (usually 11 pounds). You cannot purchase ammo in a store, however you can purchase as much ammo as you need, onsite, at the club or preorder (recommended).
